Committee to Restore

Carbondale City Hall

41 North Church Street
Carbondale, PA 18407.

January 14, 1982

Mr. David A. Adams
Dundaff, PA 18407

Dear Mr. Adams:

Congratulations on your recent acquisition of the Miners and Mechanics Bank building on North Main Street in Carbondale.

The Committee to Restore Carbondale City Hall was pleased to learn (1) that Carbondale City Council voted unanimously to accept your bid on the M & M Bank building, and (2) that you intend to restore this historic former bank building "like it used to be" ("Tentative sale of M & M Bank for $15,000," *The Carbondale News*, Wednesday, December 9, 1981, p. 1).

As you doubtless know, significant tax opportunities are available to you under The Economic Recovery Tax Act of 1981. These opportunities are described on the eight pages of information from the supplement to the November 1981 issue of *Preservation News*, and the two pages of information from the Education Service of the National Trust for Historic Preservation that are enclosed.

As your next door neighbor, we look forward to a long and mutually rewarding relationship.

Sincerely yours,

S. Robert Powell
Committee to Restore Carbondale City Hall
